

FAITH AND PHEASANTS
WOMENS WEEKEND RETREAT
OCTOBER 9,10,11 2020
CLEAR CREEK UPLAND GAME LODGE-BARTLETT, NEBRASKA

We are so excited to bring to you a fun and unique weekend retreat just for women! Faith and Pheasants is a weekend getaway to the open prairie of Bartlett, Nebraska. This weekend is for ALL women who wish to enjoy the outdoors, socialize with like-minded women and get in touch with themselves. NO EXPERIENCE NECESSARY. We have professionals available to help all skill levels.

This weekend is designed to explore a topic that many women are challenged with, “Boundaries...when to say yes...how to say no” from a biblical perspective. Taught by Karin Holder. We will have group learning sessions as well as individual time for reflection if you desire. Our goal is for you to walk away from this weekend with some tools to arm you for everyday life.

You will also have the opportunity to select fun activities to participate in. They include trap shooting (blue rocks) or Pheasant hunting depending on your interest. This is a great way to get introduced into a lifestyle many enjoy as well as learning about providing organic meat for your family. Should you decide to hunt, you will be guided by professional guides and dogs, have the opportunity to go on two hunts, and then come full circle by enjoying your harvest at mealtime.
