**FAITH & PHEASANTS**  
**Women's Weekend Retreat**  
**October 1,2,3, 2021**  
**Clear Creek Upland Game Lodge**  
**Bartlett, NE**

We are so excited to bring to you a fun and unique weekend retreat just for women!

Faith & Pheasants is a weekend getaway that takes you to the open prairie of Bartlett, Nebraska. This weekend is for ALL women who wish to enjoy the outdoors, grow in their faith and meet other like-minded women.

**NO EXPERIENCE IS NECESSARY !**

**MINIMUM AGE 21**

This weekend is designed to provide an experience unlike any other. We will participate in many fun activities including learning to use or refreshing your shot gun skill, trap shooting and pheasant hunting. This is a great way to be introduced to the hunting lifestyle as well as learning about providing organic meat for your family.

We come full circle during this weekend. Meaning we hunt, hopefully harvest birds, clean them and eat them. We will be guided on our hunt by Professional guides and their dogs that will help every step of the way.

When not in the field hunting or shooting, we will have spiritual learning, down time and socializing. This year the topic is "Reclaim". After a year and half of unprecedented times, what do you need to reclaim? Is it the Truth, your identify or your fun sense of spirit. Whatever it is we hope to help bring it out of you.
